WHY I WANT TO BE HERE

I admire the mission of a company who values their clients . I am passionate about providing the highest level of service to clients, because I understand how important customer loyalty is to companies. I am confident my skills and values would be an asset to the company. It would be an honor to have the opportunity to be a part of your team.

HOW I CAN ADD VALUE

This role aligns well with my character qualities. I am highly motivated and self-driven. I am an effective communicator with leadership experience. I am a team player with strong attention to detail, but my true passion is mentoring others.

My areas of expertise include communication and leadership. My **technical skills** include:

JavaScript • ES6 • React • HTML • CSS • Node.js • Express • AJAX/HTTP • Mongoose • MongoDB • JSON • Git

WHAT I'VE LEARNED

Certification of Web Development, V School
MAY 2022- Present

PROJECTS I'VE DONE

Netflix Clone
Netflix-Clone-Github | TECHNOLOGIES: **React, API, Flexbox**
- Developed a Netflix clone using an API from TMDB that gathers the most up-to-date movies and displays movies based on genre. Incorporated a trailer feature that, when a poster is clicked will view a trailer for that movie..

Meme-Generator
Meme-Generator-App | TECHNOLOGIES: **React, API**
- Developed an app that allows the user to create and add text to a MEME. I used an API that has the top 100 most popular meme images in which the logic allows the app to randomly select a new image.

Zen Garden
Zen-Garden-Clone | TECHNOLOGIES: **HTML, CSS, CSS-GRID**
- Re-constructed a static webpage known as Zen Garden. Using only HTML and CSS , I have been able to replicate this webpage.

WHERE I'VE BEEN

Role 1, Zocdoc | Senior Integration Support Associate | 08/2021 - Present
- Deliver excellent customer service to over 1400 healthcare providers annually by configuring and deploying ZocDoc technologies while also providing feedback and recommendations to internal engineering and product teams to better improve company processes.

Role 2, Federal Bureau of Prisons | Correctional Officer | 2019 - 2021
- Provides supervision, care and correctional treatment of inmates. Enforces rules and regulations governing facility security, inmate accountability and inmate conduct to ensure judicial sanctions are carried out and inmates remain in custody.

Role 4, US Army | 05/2015 - DEC 2017
- Supervised and managed the administration of property records totaling more than $10M.
- Supervised and managed a group of my peers to make sure the job was professional and complete in a timely manner and provided leadership by being head of the group during field missions.
- Developed and maintained the unit's daily personnel accountability report for 150 soldiers.

Provided field services upwards of 600 soldiers.
